

# FSA Shipping and Logistics Services

**Integrated shipping and logistics services in the Kingdom since 1964**

Your trusted partner to keep your business moving across Bahrain and beyond.

## Over 50 years of proven track record across the Kingdom and beyond

Established in 1964, Fakhro Shipping Agency (FSA) is one of oldest ship agents in the Kingdom of Bahrain. As a leading shipping and logistics provider, we offer comprehensive end-to-end support delivered at the highest quality standards.

FSA is a member of Bahrain Shipping Associations and WCA, the world's largest and most powerful network of independent freight forwarders, and ISO 9001:2015, ISO 14001:2015 and OHSAS 18001:2007 certified.

### Shipping services

We provide a complete range of agency and specialised services to a diverse range of vessels such as tankers, liners, bulk commodities and cruise. Our experience in handling all cargo types, backed by 24/7 support services, enable us to ensure efficient vessel turnaround. FSA has been entrusted to with the most project mobilisation/ demobilisation activities across Bahraini ports.

Services for dry dock repairs, crew and supply launches for offshore support are also available. Our in-house P&I team of experienced claim handlers and surveyors has

the legal and technical expertise and strong relationships with local authorities, port officials, terminals and receivers to help expedite case handling and minimise your financial exposure.

### Logistics services

We draw on our extensive local experience to provide tailored logistics solutions. FSA offers a comprehensive package of logistics services from multi-modal freight services, contract logistics, land transportation, ship spares logistics to project logistics and household/ corporate relocations. Our customised solutions cater to challenges posed by today's uncertain and competitive markets.

Our 3,200m<sup>2</sup> ambient warehouse and office complex in Hidd has a capacity of 3,000 pallet positions catering to all cargo types including palletised and containerised. Together with our two customs-bonded warehouses at the airport and seaport, we offer a full range of multi-modal options for cargo consolidations and handling of transit cargoes across the country and beyond - all under a single roof.
